香港電台廣播英文課程

馬加烈李姑娘粵語解釋

(四百五十千週波)

8. SENTENCE PATTERNS

TEACHER: The BBC brings you ENGLISH BY RADIO. This is our eighth lesson on sentence patterns. Listen to Mary and David talking. DAVID: My sister's in London for a few days. I'm taking her to the theatre this evening. She likes being

taken to the theatre. 我的妹在倫敦小住數天。我今夕帶她去潛戲。她歡喜 人家帶她去看戲。 I'm sure she does. Most girls like to be taken to the theatre.

狄點得她歡喜的。大多數女孩子都數喜人家帶她們去 TEACHER: Did listeners notice the patterns used with the verb like? let's have those sentences again, please. My sister likes being taken to the theatre. 我的妹歡喜人家帶她去看戲。

verbs which may be followed only by an infinitive

But there are some verbs which may be followed

大衛的妹歌喜人家帶她去看戲o大多數女孩子歡喜人

TEACHER: 'Likes being, Being, the gerund. Most girls like to be taken to the theatre. 大多数女孩子都歡喜人家帶她們去看戲。 TEACHER: 'Like to be, To be, the infinitive. There are some

MARY

TEACHER:

MARY:

- the verbs want, and agree, for example. DAVID: My sister wanted to go to the theatre, so 1 agreed to take her. 我的妹要去看戚,所以我答應帶她去。

by an infinitive or by a gerund; like is one of MARY: David's sister likes being taken to the theatre. Most girls like to be taken to the theatre.

家帶她們去看做o Like being taken, like to be taken - no difference in meaning. Let's have some more examples of verbs that can be used in these two patterns. MARY: When did you begin learning Russian, David?

你何時開始學習俄文的呢,大衛? DAVID: I began to learn Russian about a year ago. When did you start learning the violin? 我約一年前已開始學習俄女。你何時開始學習小提罕

的呢? Let me see, I started to learn about three years

踱我看看,我約三年前已開始學習的 o TEACHER In those sentences you heard the verbs begin and start used in both patterns. First, with a gerund:-

MARY: When did you begin learning Russian? 你何時開始學習俄文的呢?

DAVID: When did you start learning the violin? 你何時開始學習小提琴的呢? TEACHER: Then with to and an infinitive:-DAVID: I began to learn about a year ago.

我約一年前已開始學習的o MARY: I started to learn about three years ago. 我的三年前已開始學習的o. TEACHER: The opposite of begin or start, is stop. have some examples of the verb stop. MARY: I see the price of cigarettes has gone up. They're very expensive now, aren't they? 我看見香烟價已上漲了。它現在的價錢甚畫哩,可不 是嗎?

They are. I ought to stop smoking, I suppose

是的。我以爲我該停止吸烟了。 MARY: Why don't you? Have you ever tried? 你爲什麼不?你曾經試過了嗎? DAVID: Oh yes, I've given up smoking a dozen times, but I always start again. 是的,我已經十多次停止不吸烟,但我往往再更吸。 TEACHER: In that conversation, the verb stop was followed

by a gerund, . DAVID: I ought to stop smoking. 我这停止吸烟。 TEACHER: So was the compound verb give up, which

DAVID: I've given up smoking a dozen times. 我已经十多次停止吸烟。 TEACHER: Stop is followed by a gerund. That's one of the regular patterns in which stop is used. To stop doing something. But you may also hear the verb stop in another pattern. And in this pattern

the meaning is quite different. Listen to an example. DAVID.: When I'm working in the garden, I sometimes.

stop to have a cigar-tte. 當我在花園做工的時候,我有時停一下來吸一枝型。

TEACHER: 'Stop to have.' Stop followed by to and an infinitive. Do listeners see the difference? An infinitive after stop is an infinitive of purpose. It tells us why.

DAVID: When I'm working in the garden, I sometimes stop in order to have a cigarette. 雷我在花園做工的時候,我有時停一下來吸一技圈。

You stop working - that's the recular pattern. DAVID: Yes, I stop working, in order to have a cigarette. I stop to have a cigarette. 是的,敦停止做工来吸一枝颐。敦停下来吸一枝圈。 TEACHER: Remember, then, that the ininfitive may be

either the object of a verb:-MARY I began to learn the violin three years ago. 我三年前已開始學習小提琴的了o TEACHER: "Or it may be an infinitive of purpose:-

DAVID: I stopp d to have a rest.

我停下來休息。
